

Members' Evening for Club Umpires 2026

Shaping the Future

Open to Men & Women Umpires

HACO invite all Men and Women club umpires officiating in Div 3 and below, and Women's Championship to attend a Members' evening.

You do not need to be a member of HACO to attend.
All are welcome, register by clicking on the button below.

It is a great opportunity to meet fellow umpires, share experiences, and discuss the issues that arise during the season in a relaxed and supportive environment.

The evening will include:

- Match Regulations Div 3 to 14
- Women's Championship
- Law update for 2026 season
- Disciplinary Process
- Ground Weather & Light (GW&L)
- Concussion & Head Injuries
- Match scenarios

Light refreshments will be available on arrival, and the bar at each club will be open throughout the evening.

We look forward to welcoming you.
